

**Flexible Pavements of Ohio  
2011 ECOLOGICAL AWARD  
Nomination Form**

The FPO Ecological Award recognizes Hot Mix Asphalt (HMA) production facilities that best demonstrate safe and responsible environmental practices. Facilities are judged on design layout, clean operation, maintenance performance practices, and community awareness activities.

---

**Award Eligibility**

- The FPO Ecological Award is open to FPO Producer Members.
- The facility has not previously won the FPO Ecological Award.
- The facility must be located in the State of Ohio.

**Award Submittal Instructions**

- Duplicate this form for more than one entry.
  - Include a brief (no longer than one-page) description of the facility. Include any unique features, zoning challenges, and community activities.
  - Include no more than five high resolution digital images on CD or flash media suitable for publication. Note: One photo must be of the main entrance to the facility as seen from an access road. One photo must be a “long” view showing the facility in its surroundings. Photos need to be of professional quality.
  - All completed forms and supporting documentation as described above need to be submitted by September 30, 2011 to Flexible Pavements of Ohio, 525 Metro Place North, Suite 101, Dublin, OH 43017-5504.
- 

Facility Name & Location (INCLUDE MAP FROM MAPQUEST OR OTHER SOURCE):

---

---

---
